

GLOSTER LIMITED
(UNIT – ANANYA)

INTEGRATED MANAGEMENT POLICY

We, Gloster Limited (unit – Ananya) resolve to adhere to all National/International Standards in all matters concerning Quality, Environment, Occupational Health & Safety, Security, Social & Ethical for Manufacturing and Supply of Jute, Cotton & Allied Fiber Products.

In order to attain this, we would strive

- To enhance customer satisfaction by providing timely supply of products as per specified quality requirements.
- To comply with national legislations (i.e legal, statutory & regulatory requirements) and adhere to requirements laid by SA-8000 standard.
- To continually improve the effectiveness of established management systems.
- To make earnest endeavors for protection of environment including prevention of pollution, injury & ill health.
- To make optimum use of existing energy consumption and to emphasis on Conservation of energy.
- To review the IMS Policy periodically and/ or in case of any change, for adequacy and continuing suitability relating the requirements of established management systems.

We would achieve these objectives by communicating/ working in close cooperation with all customers and stakeholders/interested parties and by adopting appropriate management systems, motivating and ensuring active participation of all employees.
